Re: Election of 2022 Officers Update

Summary

A verbal update will be provided at the October 13th RCRC Executive Committee Meeting on the status of the Election of 2022 Officers.

Background

Pursuant to the Rural County Representatives of California (RCRC) Bylaws (Section 6.6), annually from October 1st through November 15th, candidates for Second Vice Chair shall indicate their intent to run for the position. Such intent is to be made in writing to the President. Additionally, nominations may be made from the floor during the annual election meeting. Election of the 2022 RCRC Officers will occur during the December 8, 2021 RCRC Board of Directors meeting. I will provide a brief update on nominations received to date as part of this agenda item.
