REMARKS:

A question received from a Council Member is outlined below and followed by staff's response.

- **Will there be development capacity left for the smaller remaining parcels in the northern portion of the Specific Plan area?**

After reviewing the commercial square footages presented in Grosvenor's slides (Attachment 39), there will be over 200,000 square feet of capacity remaining for use by other property owners in the North 40 Specific Plan area. Additionally, it appears that there will also be a minimal amount of residential units remaining, but that will depend on how any requested density bonus is structured.

Public Comments received between 11:01 a.m., Monday, August 6, 2018 to 11:00 a.m. Tuesday, August 7, 2018 are included as Attachment 41.
