

Resolution No. 27-2018

**RESOLUTION PROCLAIMING NOVEMBER, 2018, AS “PARK CITY DIABETES AWARENESS MONTH”**

**Whereas**, more than 30 million adults and children in the United States have diabetes, and another 86 million individuals have prediabetes and are at-risk for developing Type 2 diabetes; and

**Whereas**, approximately 201,025 people in Utah or 10.4% of the adult population have diabetes; and

**Whereas**, 1.7 million Americans aged 20 years and older are diagnosed with diabetes each year – 4,380 per day, or one every 19 seconds; and

**Whereas**, \$245 billion annually is attributed to diagnosed diabetes care, including \$176 billion in direct medical costs and \$69 billion in indirect costs related to disability, work loss, and premature mortality; and

**Whereas**, uncontrolled diabetes puts people at risk for serious medical complications, including cardiovascular disease, blindness, kidney disease and dialysis, nerve damage and amputation; and

**Whereas**, diabetes screenings for at-risk groups and self-management education is a cornerstone of treatment; and

**Whereas**, Diabetes Awareness Month is an opportunity for Park City citizens to unite to increase individual and community awareness, change lives, and stop the diabetes epidemic; and

NOW THEREFORE, the Mayor and City Council of Park City, Utah, do hereby declare November, 2018, as “Park City Diabetes Awareness Month”

PASSED AND ADOPTED this 23<sup>th</sup> day of October, 2018.
