

## Exhibit A - Use of Food Trucks on City Facilities

### Ice Rink – From Amanda Angevine, GM

1. **When:** *Whenever they are willing to come.*
  - a. Most rinks have concessions or some food and beverage offerings. We have heard from patrons that they would really like more than what we currently offer in vending machines. We realize demand will end up driving availability to a large part and hope the regulations will allow for food trucks at the Ice Arena based on demand and with a potential to grow from whatever we are able to offer initially.
  - b. Would like to start with potential for Food Trucks... *Winter...*
    - i. Wednesday evenings 6-8 for High School Hockey Games
    - ii. Friday evenings (3-9pm) for our Open Skate and some Ice Miner games/practices
    - iii. Saturday mid-day through evening (10am- 8/9pm) for Ice Miner games/practices, public skate and High School Hockey Games
    - iv. Sunday morning- early afternoon (early as they will come to 3 pm) for Ice Miner games/practices and public skate.
    - v. Additional tournaments and private rentals as needed.
  
2. **How many people you think participate during those times.** Significant variation and difficult to predict. I don't have great numbers but let's say 50-200 people.
  - a. Ice Miners have 15-30 kids on each hour of their ice. There are also many parents and siblings in the lobby during those times so let's call it 50 ppl/hour.
  - b. High School Hockey Games likely around 100 people.
  - c. Open Skates could be anywhere from 25-200.
  
3. **What am I missing?** I think you have my items covered- health permits etc. trash/recycling and helping keep the area around the truck clean. Tables & Chairs- we imagine in the winter people will bring the food inside, which is fine. In the summer we do have some outside seating available. If we end up with the luxury of multiple interested Food Trucks I would like to be able to give preference for "healthy" options to support the athletes. If the food options are perceived as healthy I believe parents will be more likely to let kids eat frequently from the trucks (weekly, or multiple times a week). If the food isn't healthy it may not be a go-to meal for the family. One other thing- If any food trucks can do beer that would be a game changer and we would certainly extend preference to Sunday, later Wednesday and Thursday nights for adult hockey.

## **Quinn's Jct Sports Complex; City Park, MARC – From Ken Fisher, Rec. Mgr.**

### **Spring Youth Soccer**

Location: Quinn's

Season: April 15- June 6

Day/Time: Wed 5-7 p.m.; Sat 9-1 p.m

# of people: 100 per hour

### **Adult Softball**

Location: City Park

Season: May 15- August 31

Day/Time: Mon-Thur 6-10 p.m.

# of people: 50-100 per hour

### **Adult Softball**

Location: Quinn's

Season: June -August

Day/Time: Tue 6-10 p.m.

# of people: 50 per hour

### **Adult 4 v 4 Summer Volleyball**

Location: City Park

Season: April 15- June 6

Day/Time: Wed 5-7 p.m.; Sat 9-1 p.m

# of people: 88 players a night

### **Adult Kickball League**

Location: City Park & Quinns

Season: August-October

Day/Time: Wed 6-10 p.m.

# of people: 50+ per hour

### **Volleyball Tournaments**

July 4 @ TMJHS- 120 2 person teams

First Sat Aug – 75/2 person teams @ CP

All day but demand would be 11-1 p.m.

### **Skate Series/Dirt Jump Jam**

5 events over the summer

Demand would be 11 a.m.-1 p.m.

### **PC MARC**

Could be flexible in terms of days & times

Could be longer than 10 weeks of summer

7 days a week from 12-5 p.m.?
