

PCMC Legislative Platform and Policy Guidelines

Park City Municipal generally supports:

1. Legislation that leads to greater financial independence from Federal and State entities, and protects local resources from Federal, State, and other governmental controls;
2. Legislation maintaining maximum local flexibility in all areas of its day-to-day responsibilities, municipal operations, and local land use authority; and
3. Legislation that advocates fair and proportionate representation on regional/interlocal boards/commissions.
4. Legislation that fosters understanding in our diverse communities and promotes equitable access to resources for all residents.

Park City Municipal generally opposes:

1. Legislation that makes the City more dependent on Federal, State, and other governmental agencies for policy direction;
2. Legislation that is inconsistent with the general doctrine of home rule or interferes with the local exercise of powers over public safety and land use; and
3. Legislation that imposes intrusive, unnecessary or unfunded mandates that preempts local authority.
4. Legislation that impedes the equitable administration of public services, justice, and social well-being.
