Hi Arn: I am unable to attend the Council meeting re:STRs but i have some comments to contribute. I have no objection to allowing STRs but i feel they should be registered with the Town, the parking should be restricted to on-site (and that needs to be monitored by the Police Department, the cost of which is a consideration), and the STRs must not be used for commercial purposes e.g. weddings, etc.

Thank you for including my input in your considerations.
