Minimum two-year Ferndale residency is required for this position. <input checked="" type="checkbox"/> I am a Ferndale resident. If so, for how many years? <u>16</u>	

Describe experiences you have had that led to your desire to serve the City.

I have had the honor of serving the people of Ferndale in various capacities over the past 14 years, first as an appointed Commission Member and later as an elected official. I have grown to love my adopted home town and will always want to continue my service to this community in various ways. My current council term expires 12/31/19 and I am not seeking re-election. I am choosing to pursue the partial mayoral term to provide consistent leadership for the remainder of the year that will not be unduly influenced, either intentionally or not, by the ongoing election cycle. Elections are tough enough, and I believe it is incumbent on us as an elected Council to create a stable and successful environment for employees, residents and those doing business with the City over the next few months.

Provide a brief biography including your skills, background and expertise, as well as involvement in the community, professional or other non-profit organizations that are specifically applicable to this position.
