EXECUTIVE SUMMARY:
Due to a delay in parts manufacturing the order placed in the prior fiscal year was received in FY19/20. Costs to date are just below the annual limit and in order to take receipt of the current year ordered parts the agreement needs to be amended.

RECOMMENDATION(S):
Approve payment of FY 18/19 orders received in FY 19/20, in an amount not to exceed $100,000.

HISTORY AND BACKGROUND:
Placer County conducted a public procurement bid that allowed other jurisdictions to enter into agreements with the resulting lowest responsible bidder.

The current Glenn County agreement was approved by the Board of Supervisors on May 29, 2018 and allows the Department an annual limit of $50,000. Due to delays in the receipt of items from the prior year's order staff requests the agreement be amended to allow up to $100,000 in the current fiscal year.

FISCAL/PERSOONEL IMPACT(S):
Funds are budgeted in Fleet Replacement Fund #0219. Costs of these upfit parts become a part of the vehicles fixed asset value upon installation.
