COUNTY OF GLENN
BOARD REPORT

#205026 SHERIFF - $42,745.00 / APPROPRIATE STATE CRIMINAL ALIEN ASSISTANCE PROGRAM
(SCAAP) FUNDS
Submitted by Sheriff
January 21, 2020

EXECUTIVE SUMMARY:
The Sheriff’s Office requests the Board approve appropriation of current and prior year Federal State
Criminal Alien Assistance Program (SCAAP) funding in the amount of $42,745, and transfer those
funds to the Jail Overtime budget for Fiscal Year 2019/2020.

RECOMMENDATION(S):
Approve appropriation of current and prior year State Criminal Alien Assistance Program (SCAAP)
funds, and transfer to Sheriff's Jail Overtime budget for Fiscal Year 2019-2020.

HISTORY AND BACKGROUND:
The Sheriff's Office annually applies for Federal State Criminal Alien Assistance Program (SCAAP)
funding. Due to concerns over whether or not applying for and receiving these funds violated SB54,
funds from Fiscal Year 2016/2017 and 2017/2018 were held in reserve while County Counsel
reviewed the program. The application period for Fiscal Year 2017/2018 was also significantly
delayed because of possible conflicts with SB54. After careful review, it has been determined that the
county is allowed to utilize the current and prior year funds for eligible expenses such as overtime for
Correctional Deputies. However, changes to future applications beginning Fiscal Year 2020 will have
additional required certifications that may make the County ineligible to participate in the program
moving forward.

FISCAL/PERSONNEL IMPACTS(S):
General Fund Savings--These funds help the department offset salary expenses associated with
incarceration of eligible inmates during a specific 12-month reporting period.
