NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. REQUIRED APPROVAL. This Contract shall not become effective until and unless approved by the Lyon County Board of County Commissioners.

2. DEFINITIONS. "County" means Lyon County, a political subdivision of the State of Nevada, and its Board of County Commissioners, county manager, any county department or board identified herein, its officers, employees and immune contractors as defined in NRS §41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the County under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year. The County and the Independent Contractor are also referred to as "parties" in this Contract.

3. CONTRACT TERM. This Contract shall be effective from April 1, 2018, subject to approval by the Lyon County Board of County Commission (anticipated to be February 1, 2018), and expire on April 1, 2028, unless sooner terminated by either party as specified in paragraph (10).

4. NOTICE. Unless otherwise specified, termination shall not be effective until 15 calendar days after a party has served written notice of default, or without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the corresponding address specified above.

5. INCORPORATED DOCUMENTS. The parties agree that the scope of work shall be specifically described; this Contract incorporates the following attachments in descending order of constructive precedence; a Contractor's Attachment shall not contradict or supersede any County specifications, terms, or conditions without written evidence of mutual assent to such change appearing in this Contract:

**ATTACHMENT A: FACILITIES DESCRIPTION AND SCOPE OF WORK**

6. CONSIDERATION. The parties agree that Contractor will provide the services specified in paragraph (5) at a cost of \$1.00, not to exceed \$1.00. The County does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a fiscal year appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of Board of County Commission appropriation may require.

7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. TIMELINESS OF BILLING SUBMISSION. The parties agree that timeliness of billing is of the essence to the Contract and recognize that the County is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the County no later than the first Friday in August of the same year.

9. INSPECTION & AUDIT.

a. Books and Records. Contractor agrees to keep and maintain under general accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the County, State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes as well as Lyon County ordinances.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the County Auditor, the relevant County agency or its contracted examiners, the Lyon County Comptroller, County Manager, the Lyon County District Attorney, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three years and for five years if any federal funds are used in the Contract. The retention period runs from the date of payment for the relevant goods or services by the County, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

a. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

b. State Termination for Non-appropriation. The continuation of this Contract beyond the current fiscal year is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the Lyon County Board of County Commissioners and/or federal sources. The County may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) of termination if for any reason the County or its departments or boards funding from the Lyon County Board of County Commissioners and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

iv. If the County materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or

v. If it is found by the County that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any elected official, department head, officer or employee of the County with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

vi. If it is found by the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph (4), and the subsequent failure of the defaulting party within 15 calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the County;

iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the County;

iv. Contractor shall preserve, protect and promptly deliver into County possession all proprietary information in accordance with paragraph (21).

11. REMEDIES. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs.

12. LIMITED LIABILITY. The County will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any County breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed 150% of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. INDEMNIFICATION. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the County's right to participate, the County from and against all

liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. INDEPENDENT CONTRACTOR. Contractor is associated with the County only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the County whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the County shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the County; (4) participation or contributions by either Contractor or the County to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the County. Contractor shall indemnify and hold County harmless from, and defend County against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, or representatives shall be considered employees, agents, or representatives of the County. The County and Contractor shall evaluate the nature of services and term negotiated in order to determine "independent contractor" status and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such.

16. INSURANCE SCHEDULE. Unless expressly waived in writing by the County, Contractor, as an independent contractor and not an employee of the County, must carry policies of insurance in amounts specified in this Insurance Schedule and pay all taxes and fees incident hereunto. The County shall have no liability except as specifically provided in the Contract. The Contractor shall not commence work before: (1) Contractor has provided the required evidence of insurance to the Contracting Agency of the County, and (2) The County has approved the insurance policies provided by the Contractor. Prior approval of the insurance policies by the County shall be a condition precedent to any payment of consideration under this Contract. County's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of the County to timely approve shall not constitute a waiver of the condition.

a. Insurance Coverage The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the Contract the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by the County, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until the latter of:

Any insurance or self-insurance available to the County shall be in excess of and non-contributing with any insurance required from Contractor by the County. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the County, Contractor shall provide the County with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the County in writing and immediately replace such insurance or bond with an insurer meeting the requirements.

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability

of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations or duties under this Contract without the prior written consent of the State.
