

CITY OF GULFPORT CITY COUNCIL MEETING NOTICE AGENDA MEMORANDUM

FROM: Tom Nicholls, Public Works

DATE: October 20, 2020

AGENDA ITEM: 5.e

RESOLUTION NO: 2020-65

SUBJECT: Resolution No. 2020-65: A Resolution authorizing the City Manager to purchase a 2021 rear loading sanitation truck from Rush Truck Centers in Tampa; and providing authorization to sell truck #1301.

RECOMMENDATION: That City Council consider approving this resolution authorizing the City Manger to purchase a new 2021 rear loading sanitation truck from Rush Truck Centers in Tampa, Florida under the Florida Sheriffs Association Bid Specification 20-VEH 18.0 Specification #108 for \$237,594.50 and authorize the City Manager to sell truck #1301 at auction.

BACKGROUND:

The City budgeted for a new sanitation rear loader truck for this fiscal year. This truck will replace truck #1301, a 2005 Peterbilt rear loader. Due to the age of this vehicle we are requiring additional maintenance and repairs which is resulting in added time and expense to the City. Once the replacement rear loader is delivered we will auction truck #1301 in accordance with the Code of Ordinance Section 16-10.

ANALYSIS:

The new truck will be a new 2020 Peterbilt 520 Chassis, with a 25 cubic yard rear loader refuse body. The purchase is a contract with Rush Truck Centers in Tampa, Florida with the Florida Sheriffs Association. This truck will meet all new emissions standards.

FINANCIAL IMPACT:

Funds for this purchase are available in the Sanitation Division account #400-5110-534-64.

MOTION:

I move to approve/deny Resolution No. 2020-65 that authorizes the City Manager to purchase a new 2021 rear loading sanitation truck from Rush Truck Centers in Tampa, Florida under the Florida Sheriffs Association Bid Specification 20-VEH 18.0 Specification #108 for \$237,594.50 and authorize the City Manager to sell truck #1301 at auction.
