

CITY OF GULFPORT CITY COUNCIL MEETING NOTICE AGENDA MEMORANDUM

FROM: Tom Nicholls, Public Works

DATE: October 20, 2020

AGENDA ITEM: 7.a

RESOLUTION NO: 2020-68

SUBJECT: Resolution No. 2020-68: A Resolution authorizing the City Manager to purchase two (2) 2021 Ford Work Trucks from Duval Fleet; and providing authorization to sell Truck No. 1136 and Truck No. 0503 at auction.

RECOMMENDATION: That City Council consider approving this resolution authorizing the City Manager to purchase two (2) new 2021 Ford Work Trucks at a total cost of \$57,948 from Duval Fleet and authorize the City Manager to sell trucks #1136 and #0503 at auction

BACKGROUND:

The City budgeted for these two (2) new utility trucks for this fiscal year. One 1 of the trucks will be used in the Streets Division and will be replacing asset 0503. The second truck will be used in the Parks Division and will be replacing asset 1136. Due to the age of these vehicles we are requiring additional maintenance and repairs which is resulting in added time and expense to the City. Once the replacements are delivered we will auction trucks 0503 and 1136 in accordance with the Code of Ordinance Section 16-10.

At the request of Councilmember Thanos, staff researched alternative fuel vehicles for these replacements. A non-plug in hybrid was available on the Sheriffs contract that could have replaced the Parks vehicle but would have only realized a three mile per gallon savings and would have cost an additional \$11,000. The Streets Division needed a heavy-duty vehicle and none are available under the Sheriff's contract.

ANALYSIS:

These trucks are being purchased through a contract that Duval Fleet has through Florida Sheriff's Association Contract # FSA20-VEL28.0 and FSA20-VEH 18.0.

FINANCIAL IMPACT:

Funds are available in the Public Works Streets and Parks account for this purchase and will be charged to accounts 001-5153-541-64 and 001-4145-572-64.

MOTION:

I move to approve/deny Resolution No. 2020-68 that authorizes the City Manager to purchase

two (2) new 2021 Ford Work Trucks at a total cost of \$57,948 from Duval Fleet and authorize the City Manager to sell trucks #1136 and #0503 at auction.
