Explain briefly why you would like to be appointed to this board or commission:

My term expired 12/20. The current Board has made great strides in improving the Mason Valley
Swim Center, and I would like to continue the work we have made on upgrades. We are
currently seeking grant funding to drastically add to the facility, and replace large items. The
swimming pool brings a lot of enjoyment to the community, and I think they will truly love the
vision of the current board.
