Board Of County Commissioners:

I am writing this letter in support of re-appointing the Mason Valley Pool Board with the members ending the Year 2020.

This includes Myself- Lacey Parrott, Michelle Smith, Stephani Johnston, Allan Ross, and Jaqueline Kersch.

As the Chairperson for the board, I will take responsibility for not knowing all of our deadlines to reapply for election. (If I blamed it on 2020, would you believe me? Only kidding) Since we were appointed by the previous Board of County Commissioners, our terms were not of tradition lengths nor staggered. Something I did not catch for all MV Pool Board Members.

The current board has made great strides in updating equipment, fine tuning maintenance, and building employee relations. This year we dedicated the Facility to a long serving Pool Board member- Judy Davis, Creating the "Judy Davis Aquatic Facility." These were goals for us joining the Pool Board. Since then, we have set our eyes on a few much bigger goals. One of which will include a large scale renovation of the pool/ park facility through grant funding. This will allow for us to update failing boilers, and filtration systems that are starting to age. With these upgrades, we hope to secure more efficient equipment.

This has been a tremendous undertaking and I would greatly appreciate your consideration to reappoint the entire MV Pool Board ending terms of Dec. 2020.

If you have any questions, please contact me.

Thank you,  
  
Lacey Parrott

Past President MV Pool Board.
