**Discussion:**

This 27-person team is being recognized for their creativity and resourcefulness in coordinating a Halloween Drive-Thru event that served over 1,000 children and adults (and even a few dogs). On a cold and rainy October night, team members stayed at Hallowing Point Park until 9:30 p.m. to ensure that every family had the opportunity to enjoy an evening of Halloween fun, collect treats, and remember the event with a family photo in front of a hand-painted backdrop. Literally hundreds of “thanks” were received that night and numerous positive social media posts and emails arrived after the event. We are delighted to be able to recognize this team for offering this unique and safe event in compliance with COVID-restrictions.

**Conclusion/Recommendation:**

We are requesting the Board of County Commissioners recognize this team at your January 12, 2021, meeting. ERC Awards Coordinator, Lisa Tolomei will introduce this award.

Thank you for your continued support of ERC programs.
