Explain briefly why you would like to be appointed to this board or commission:

It is incredibly important for me to be involved and of service to my community. I was highly involved in the fair programs growing up. I supported the fair, events, community service and participated in the Miss El Dorado pageants. The pageants required a vast knowledge of the fair structure. I performed professionally for three years and have a high understanding of having successful events that benefit business and the entertainer. I have also ran a non profit for women and children, and created a program that had musicians restore guitars and donate to families to promote music education. This life experience combined with my work experience (I managed at Tesla for five years and now support the engineering team at Hodges) make me a great option to support the fair board or events board. I am also willing to help where needed.

***By signing this application you agree to attend training classes as scheduled.***
