Mr. Page,

It is my understanding you wanted some accident statistics for Miller and Aiazzi. Attached you will find a ten page Brazos accident report for the Lyon County Sheriff's Office. This report is dated back to the inception of the Brazos accident reporting system for this agency. Out of 324 traffic accident reports investigated by this agency, Miller and Aiazzi take first place as the most accident prone intersection within the boundaries of Lyon County. The Sheriff's Office completed a total of 38 traffic accident reports for this one intersection since January 01, 2015. If there is anything you need, please let me know. Thank you.
