Dear Jeff:

April 1, 2018 is a franchise milestone date. Article 3 of the current franchise agreement requires that we provide notice by the 9<sup>th</sup> anniversary of the existing agreement of our intention to extend for an additional 5 years.

I understand we have been in discussions about enhancements to the franchise and we are still working on that proposal for you and should have something to you within the next few weeks. We just finalized the data on parcel sizes and potential new customers. We need to put that information into our internal documents, get internal approvals and get you a proposal based on our past discussions.

Until then, this letter will serve as notice to Lyon County that we would like to extend the agreement for an additional 5 years at expiration on April 1, 2019.

Please give me a call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Greg M. Martinelli'.
